

PRECISION

HOME CARE

At Precision Home Care we recognise your needs change over time as we get older and with our support we can help you stay in your own home for as long as possible, to help you maintain your independence.

Precision Home Care provides a flexible service tailored around your needs. We aim to support you by responding to your changing needs, helping you to live as independently as possible and assisting you to stay in your own home, close to loved ones, family and the local community.

Precision Home Care will work with you to help overcome any difficulties you may have with everyday living. It is the small steps that take us closer to achieving your goals and towards helping you to live a happy and independent life.

We work with you to understand your needs as an individual and the support and care we can give is based around what you want and your lifestyle.

How can Precision Home Care Help You?

Precision Home Care can help with practical support, community access, rehabilitation as well as sit in service, and domestic services.

We provide a service that is professional, reliable and responsive to your individual needs, supporting you in the way that you choose. We operate an out of hours, on call back up system.

Precision Home Care

Precision Home Care aims to support you to enjoy your independence with confidence and knowing that you have the right help and support needed, when it's needed.

Precision Home Care offers help and support in all activities of your daily lifestyle within your own home, including; bathing, dressing, transferring, using the toilet, eating, housework, preparing meals and medication. We aim to tailor our support around you, your personal needs, independence and desires.

Our Services include:

- Personal care and support
- Domestic services
- Shopping/Appointments
- Palliative Care
- Companionship

Our Approach

We understand that the the decision to invite someone into your own home, to play and intimate part in your life can be a significant change to you and your loved ones.

Precision Home Care works with you and your loved ones. We listen to you and your needs. Our trained staff will discuss the support we are able to offer and how we can tailor that to you.

All of our staff are trained and supported to ensure that care and support is delivered in person centred and professional way, with you at the heart of everything we do, delivering high quality services.

Precision Home Care have excellent ways of working that involve:

- Each person being at the centre of their lives
- Ensuring we regularly receive and collect feedback from the relationship that we have
- Mangement with expert knowledge & experience. Skilled in leadership and quality
- Striving to achieve positive outcomes
- Getting involved in the way people choose to live their lives
- Being open to improvement, accepting suggestions, working to make sure you live your life, your way
